**Subject:** Lowe's of Dayton, TN - Emergency Generator

**\*\*\* This is an EXTERNAL email. Please exercise caution. DO NOT open attachments or click links from unknown senders or unexpected email - OIR-Security. \*\*\***

Doug – per our conversation, the back-up generator at our store in Dayton is solely used for emergency power only; it does not participate in any form or demand response or load shed program; it only runs for testing and maintenance and should there be a failure of power from the utility.

Please let me know if I can be of further assistance.

Sincerely,

**Melissa Call**
